9 FINANCIAL GUIDELINES

We are committed to providing you with the best care possible to achieve total oral health. In order to achieve these goals, we need your assistance and your understanding of our financial guidelines.

Insurance

We accept major dental insurance payments, however we may not be an in network provider for your plan. If we are not an in network provider, review your plan details, as in many cases insurance reimbursement is very similar.

-**No estimate is a guarantee of payment.** Please understand, you are responsible for all charges not paid by your insurance. Also many insurance companies are excluding certain dental procedures or downgrading procedures to a lesser reimbursement level: in which case, you would be responsible for the difference.

- **Minors must be accompanied by a parent or legal guardian.** If the parents are separated or divorced, the person accompanying the minor will be responsible for copayment at the time of the service.

Payments

- **Patient portion or patient co-pay is due at the time services are rendered-** unless prior financial arrangements have been made.
- **Balance left over 90 days of the date of service will incur an 10% or $20 minimum monthly finance charge.** Patient is responsible for legal fees, collection agency fees, interest charges and any other expenses incurred in collecting the account. We realize that temporary financial problems may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance in the management of your account.

Last Minute Cancellation/ Missed Appointments

- **Please give 48 hours notice** if you are unable to keep your reserved time. Unless an emergency occurs, we expect to run on time for your appointments and we appreciate the same courtesy from you.
- **Last minute cancellation or missed appointments** will be charged one dollar per minute for time allotted for your appointment with the doctors. $35 dollars fee for a missed hygiene appointment.
